BACK UP ; BEFORE FIRE

} A/S - raid

WHY?

OBJECTIVE , SIMPLE

S4½ - more like just a raid with no important, tangible target.

[illegible]

Not a lot of people near burning area, even though it is in a populated area - EI shock

S2 D AI EI T I AOL A/S

shock

S4½ - attack over ; attack was from above (air/hills)

people are either immune to this type of thing or they are in shock - seems like both.

AI - senseless act

S4½ - these armed men act at the direction of the bureaucrat - officer in another place. He is expectant. This is a card he plays

AOL - powerful car bomb, concussion

AI - tragic

Why here

Target structure AOL - IRA attack

Summary - a senseless ~~...~~ attack, part of an ongoing ideological battle - political conflict, seems to be "native" vs "native" even though ~~..~~ one or both (groups) may be supported by "outside" elements.

Hot area, quiet (like mid-early afternoon) - "siesta"

AOL - port facility attack.
